IRFAN

A hand is holding a black rectangular sign. At the top center of the sign is a black light fixture with a clear glass globe containing a filament bulb. Below the light fixture, the text "S-19" is printed in large, bold, gold-colored letters. Underneath "S-19", the word "ISRAR'S" is printed in a similar large, bold, gold-colored font. The sign is being held against a background of a room with a brown leather chair and a window with blinds. The sign is placed on a dark, reflective surface, which shows a clear reflection of the sign and the text.
